The I Feudi di Romans 2021 Friuli Isonzo Sontium is a partially oak-aged blend of 50% Pinot Bianco, 30% Friulano, 15% Malvasia and 5% Traminer Aromatico. The personality of this wine is almost exotic with marigold, tropical pineapple and star fruit. There is a mildly spicy aftertaste as well, and the mouthfeel is supported by a smooth, creamy element. This wine was first produced in 2016, and today 6,000 bottles are made on average each year.
